PATRONAGE OPPORTUNITIES

What is EuCNC 2018?

EuCNC 2018 is the 27th edition of a successful series of a technical conference in the field of telecommunications, sponsored by the European Commission. The conference focuses on aspects including 5G communications systems and networks, cloud platforms, management technologies, and applications and services. It targets to bring together researchers as well as industries and practitioners from all over the world.

EuCNC 2018 is being organised jointly by the University of Ljubljana and Jožef Stefan Institute. The last two editions, held in Athens (Greece) in 2016 and Oulu (Finland) in 2017, have each gathered more than 600 delegates and 40 exhibitors, hence making this event one of the most prominent ones in the field.

This edition of the conference will be about 5G in vertical industries, experimentation in real world and results and lessons learned from first 5G deployments. European H2020 5G Phase 1 and Phase 2 projects’ results will be showcased and the event will facilitate discussions about opportunities to leverage on recent 5G advancements in order to support rollout of 5G in various verticals, such as smart cities, automotive, public protection and disaster relief, smart mobility, digital health, and more.
Venue

The conference will be held at the Cultural and Congress Centre CANKARJEV DOM in Ljubljana, Slovenia, from Monday, June 18th to Thursday, June 21st, 2018.

The event will feature also a large exhibition of technologies, products and results from European Commission co-funded projects. Prominent research institutions, SMEs as well as large industries from Europe and other parts of the world will be there.

Address of the venue:
Cultural and Congress Centre CANKARJEV DOM
Prešernova cesta 10, SI-1000 Ljubljana, Slovenia

Why should you be a Patron of EuCNC 2018?

EuCNC 2018 is one of the most prominent communications and networking conferences in Europe that efficiently brings together cutting-edge research sphere and world-renown industries and businesses. This creates a unique opportunity to gain insights into latest scientific discoveries, deployment advancements and lessons learned as well as business opportunities and partnership potentials. By contributing to the event, you have the opportunity to maximise the gains by enjoying prominent exposure and visibility of your company or institution towards a large yet targeted audience and draw attention of key players in the field from all around the world.

Coffee breaks will be held in the exhibition area, so as to maximise exposure.

The exhibition will be open from Tuesday, June 19th, 09h00, until Thursday, June 21st, 12h00.
