

European Conference on Networks and Communications | Paris, France

# 5G, Shaping the Vision

29 June / 02 July 2015 www.eucnc.eu

# CALL FOR WORKSHOPS

#### **General Co-Chairs**

Mario Campolargo, European C., BE Nicolas Demassieux, Orange Labs, FR

#### **Steering Committee Chairs**

Luis M. Correia, IST- Univ. Lisbon, PT Bernard Barani, European C., BE

### **Technical Program Chair**

Hikmet Sari, SUPELEC, FR

#### **Track Co-Chairs**

PHY - Physical Layer and Fundamentals Marios Kountouris, SUPELEC, FR Tony Q. S. Quek, SUTD, SG

WIN - Wireless Networks

Ana Garcia Armada, UC3M, SP Li-Chun Wang, NCTU, Hsinchu, TW OPN - Optical Networks

Stefano Bregni, Politec. Milano, IT Tarek El-Bawab, JSU, Jackson, USA NET - Networking

Kostas Samdanis, NEC Labs Europe, DE Mike Devetsikiotis, NCSU, Raleigh, USA APS - Applications and Services

Joel Rodrigues, Univ. Beira Int., PT Nelson Fonseca, UNICAMP, BR TER - Testbeds & Experimental Research

*TER - Testbeds & Experimental Reseal* Raymond Knopp, EURECOM, FR

Raymond Knopp, EURECOM, FR Maxime Guillaud, Huawei, FR

## **Special Sessions Co-Chairs**

Andreas Polydoros, IASA, GR Hanna Bogucka, PUT, PL

#### **Workshops Co-Chairs**

Afif Osseiran, Ericsson, SE Guillaume Vivier, Sequans, FR

# Panels Co-Chairs

Carles Anton-Haro, CTTC, ES Didier Bourse, Alcatel-Lucent, FR EuCNC 2015 is the 24th edition of a successful series of a technical conference in the field of telecommunications, sponsored by the European Commission. The conference focuses on communications systems and networks, reaching applications and services. It targets to bring together researchers from all over the world to present the latest research results in networks and communications and the new developments in this field, and it showcases the results of projects from successive European R&D programmes co-financed by the European Commission.

Proposals for Workshops are invited in the following Tracks (a full list of topics is available at the website):

- PHY Physical Layer and Fundamentals
- WIN Wireless Networks
- OPN Optical Networks
- NET Networking
- APS Applications and Services
- TER Testbeds & Experimental Research

Workshops may address one or more Tracks, but they should be organised under a unified theme.

Workshops may include invited speakers, papers, and panels. The structure of workshops is not fixed, and proposers may design it as they think best.

Workshop papers can be either Presentations, Extended Abstracts (2 pages) or Full Papers (5 pages), and should be reviewed by the Workshop Technical Programme Committee. These papers will be part of the Conference Proceedings (if the authors wish to do so), but they will not be submitted to IEEE Xplore.

Workshops may extend for either a full- or a half-day. They will be held in the day previous to conference start, i.e., June 29<sup>th</sup>, 2015.

Workshop proposals should be submitted via a specific template, available at the website. Proposers should provide information on the Title, Duration, Motivation and Background, Structure, and associated Technical Programme Committee. Additional information on previous editions or promotion plans can also be provided, if applicable.

Proposals should be submitted to the Co-Chairs, <u>afif.osseiran@ericsson.com</u> and <u>gvivier@sequans.com</u>.

#### **Key Dates**

2015 Feb. 06 - Submission of Workshops proposal

2015 Mar. 13 – Notification of acceptance

2015 Apr. 24 – Workshops final papers.
