EuCNC 2016 is the 25th edition of a successful series of a conference in the field of telecommunications, sponsored by the European Commission. The conference focuses on aspects like 5G communications systems and networks, cloud platforms, management technologies, and applications and services. It targets to bring together researchers from all over the world to present the latest research results, and it is one of the main venues for showcasing (demonstrating, trialling) the results of research projects, especially, from successive European R&D programmes co-financed by the European Commission.

Extended Abstracts for Poster Sessions are invited in all Tracks (a full list of topics and submission guidelines are available at the website):

- Air Interfaces (PHY, MAC, RRM)
- Optical Communications - Networks
- Software-Defined Infrastructures
- Management Technologies
- Convergence with Emerging Concepts
- Business Aspects - Vertical markets - Applications/ Services
- Testbeds and Experimental Research

Extended Abstracts for Poster Sessions are intended for the presentation of initial results worthwhile showing to the community.

Extended Abstracts for Poster Sessions should be submitted according to the following:

- they should follow the regular paper template;
- they should be 2 pages long;
- they should be submitted via EDAS.

Extended Abstracts for Poster Sessions will be light-reviewed by the Technical Programme Committee.

Accepted Extended Abstracts for Poster Sessions will be part of the Conference Proceedings, indicated as such, hence, not being submitted to IEEE Xplore.

The registration rules for authors of Extended Abstracts for Poster Sessions are equal to those of Papers for Regular Sessions.

Posters should be displayed at the conference, according to a given template, available at the website. In order to enable the adequate exposure of Posters, dedicated time-slots will be allocated at the conference.

### Key dates

- 11 Mar. 2016** – Extended Abstracts submission deadline
- 8 Apr. 2016** – Notification of acceptance
- 22 Apr. 2016** – Extended Abstracts final version submission
