

European Conference on Networks and Communications | Athens, Greece

## *The Dawn of 5G*

27 – 30 June 2016

[www.eucnc.eu](http://www.eucnc.eu)

## CALL FOR WORKSHOPS

### General Co-Chairs

Mario Campolargo, European C., BE  
(to be defined), OTE, GR

### Steering Committee Chairs

Luis M. Correia, IST-Uni. Lisbon, PT  
Bernard Barani, European C., BE

### Technical Program Co-Chairs

Panagiotis Demestichas, Uni. Piraeus, GR  
Emmanuel Protonotarios, NTUA/ICCS, GR

### Tracks Co-Chairs

#### Air Interfaces (PHY, MAC, RRM)

Berna Sayrac, Orange, FR  
Dominique Noguét, CEA, FR  
Reinaldo Valenzuela, Bell-Labs, USA

#### Optical Communications - Networks

George Rouskas, NC State Uni., USA  
Dimitra Simeonidou, Uni. Bristol, UK

#### Software-Defined Infrastructures

Alex Galis, UCL, UK  
Roberto Rojas-Cessa, NJ Inst. Technology, USA  
Predrag Jelenkovic, Columbia Uni., USA

#### Management Technologies

Symeon Papavassiliou, NTUA, GR  
John Baras, Uni. Maryland, USA  
Nick Bambos, Stanford Uni., USA

#### Convergence with Emerging Concepts

Victor Leung, UBC, CA  
Lazaros Polymenakos, IBM, US  
George Rousos, Birkbeck College, UK

#### Business Aspects - Vertical Markets. – Apps./Servs.

Josep Martrat, ATOS, ES  
Kazuo Hashimoto, Waseda Uni., JP  
Aurel Lazar, Columbia Uni., USA

#### Testbeds and Experimental Research

Rahim Tafazzoli, Uni. Surrey, UK  
Ilya Baldin, RENC/UNC Chapel Hill, USA

### Panels Co-Chairs

Didier Bourse, Alcatel-Lucent, FR  
Colin Willcock, Nokia, DE

### Special Sessions Co-Chairs

Klaus Moessner, Uni. Surrey, UK  
Oriol Sallent, UPC, ES

### Workshops Co-Chairs

Martin Schubert, Huawei, DE  
Vassilis Friderikos, KCL, UK

### Exhibition & Demonstrations Co-Chairs

Markus Mueck, IMC, DE  
Diego Lopez, Telefonica, ES  
Jorge Pereira, European C., BE

### Tutorials Co-Chairs

Sergi Figuerola, i2cat, ES  
Pedro Malo, UNINOVA, PT

### IEEE/ComSoc Liaison

Hikmet Sari, CentralSupelec, FR

### EURASIP Liaison

Fernando Pereira, IST-Uni. Lisbon, PT

EuCNC 2016 is the 25th edition of a successful series of a conference in the field of telecommunications, sponsored by the European Commission. The conference focuses on aspects like 5G communications systems and networks, cloud platforms, management technologies, and applications and services. It targets to bring together researchers from all over the world to present the latest research results, and it is one of the main venues for showcasing (demonstrating, trialling) the results of research projects, especially, from successive European R&D programmes co-financed by the European Commission.

Workshop proposals are invited in all Tracks (a full list of topics is available at the website):

- Air Interfaces (PHY, MAC, RRM)
- Optical Communications - Networks
- Software-Defined Infrastructures
- Management Technologies
- Convergence with Emerging Concepts
- Business Aspects - Vertical markets - Applications/ Services
- Testbeds and Experimental Research

Workshops may address one or more Tracks, but they should be organised under a unified theme. Workshops are intended to allow projects or any other group of authors to present their own work.

Workshops may include invited speakers, papers, and panels. The structure of workshops is not fixed, and proposers may design it as they think best. Proposers are responsible for defining the full contents of the Workshop, namely the authors and presenters. It is not expected that open calls for papers are launched for Workshops, in order to attract authors or presenters.

Workshop papers can be either Presentations, Extended Abstracts (2 pages) or Full Papers (5 pages), and should be reviewed by the Workshop Technical Programme Committee. These papers will be part of the Conference Proceedings (if the authors wish to do so), but they will not be submitted to IEEE Xplore.

All participants and speakers in the Workshops, regardless of the nature of their presentation, including organisers, must pay the registration fee.

Workshops may extend for either a full- or a half-day, and they will be held in the day previous to conference start, i.e., June 27th, 2016.

Workshop proposals should be submitted via a specific template and according to the instructions available at the website. Proposers should provide information on the Title, Duration, Motivation and Background, Structure, and associated Technical Programme Committee. Additional information on previous editions or promotion plans can also be provided, if applicable.

### Key dates

**5 Feb. 2016** – Workshop proposals submission deadline

**18 Mar. 2016** – Notification of acceptance

**22 Apr. 2016** – Workshop papers submission
