EuCNC 2018 is the 27th edition of a successful series of a conference in the field of telecommunications, sponsored by the European Commission. The conference focuses on various aspects of 5G communications systems and networks, including cloud and virtualisation solutions, management technologies, and vertical application areas. It targets to bring together researchers from all over the world to present the latest research results, and it is one of the main venues for demonstrating the results of research projects, especially from successive European R&D programmes co-financed by the European Commission.

Extended Abstracts for Poster Sessions are invited in all Tracks (a full list of topics is available at the website):

- PHY - Physical Layer and Fundamentals
- RAS – Radio Access and Softwarisation
- NET – Network Softwarisation
- WOS – Wireless, Optical and Satellite Networks
- APP – Application Areas and Services
- OPE – Operational & Experimental Insights

Extended Abstracts for Poster Sessions are intended for the presentation of initial results worthwhile showing to the community.

Extended Abstracts for Poster Sessions should be submitted according to the following:

- they should follow the regular paper template;
- they should be 2 pages long;
- they should be submitted via EDAS.

Extended Abstracts for Poster Sessions will be light-reviewed by the Technical Programme Committee.

Accepted Extended Abstracts for Poster Sessions will be part of the Conference Proceedings, indicated as such, hence, not being submitted to IEEE Xplore.

The registration rules for authors of Extended Abstracts for Poster Sessions are equal to those of Papers for Regular Sessions.

Posters should be displayed at the conference, according to a given template, available at the website. In order to enable the adequate exposure of Posters, dedicated timeslots will be allocated at the conference.

Key dates: **2018 Mar. 26** – Extended Abstracts submission deadline
2018 Apr. 16 – Notification of acceptance
2018 Apr. 27 – Extended Abstracts final version submission
