# 6G Summit

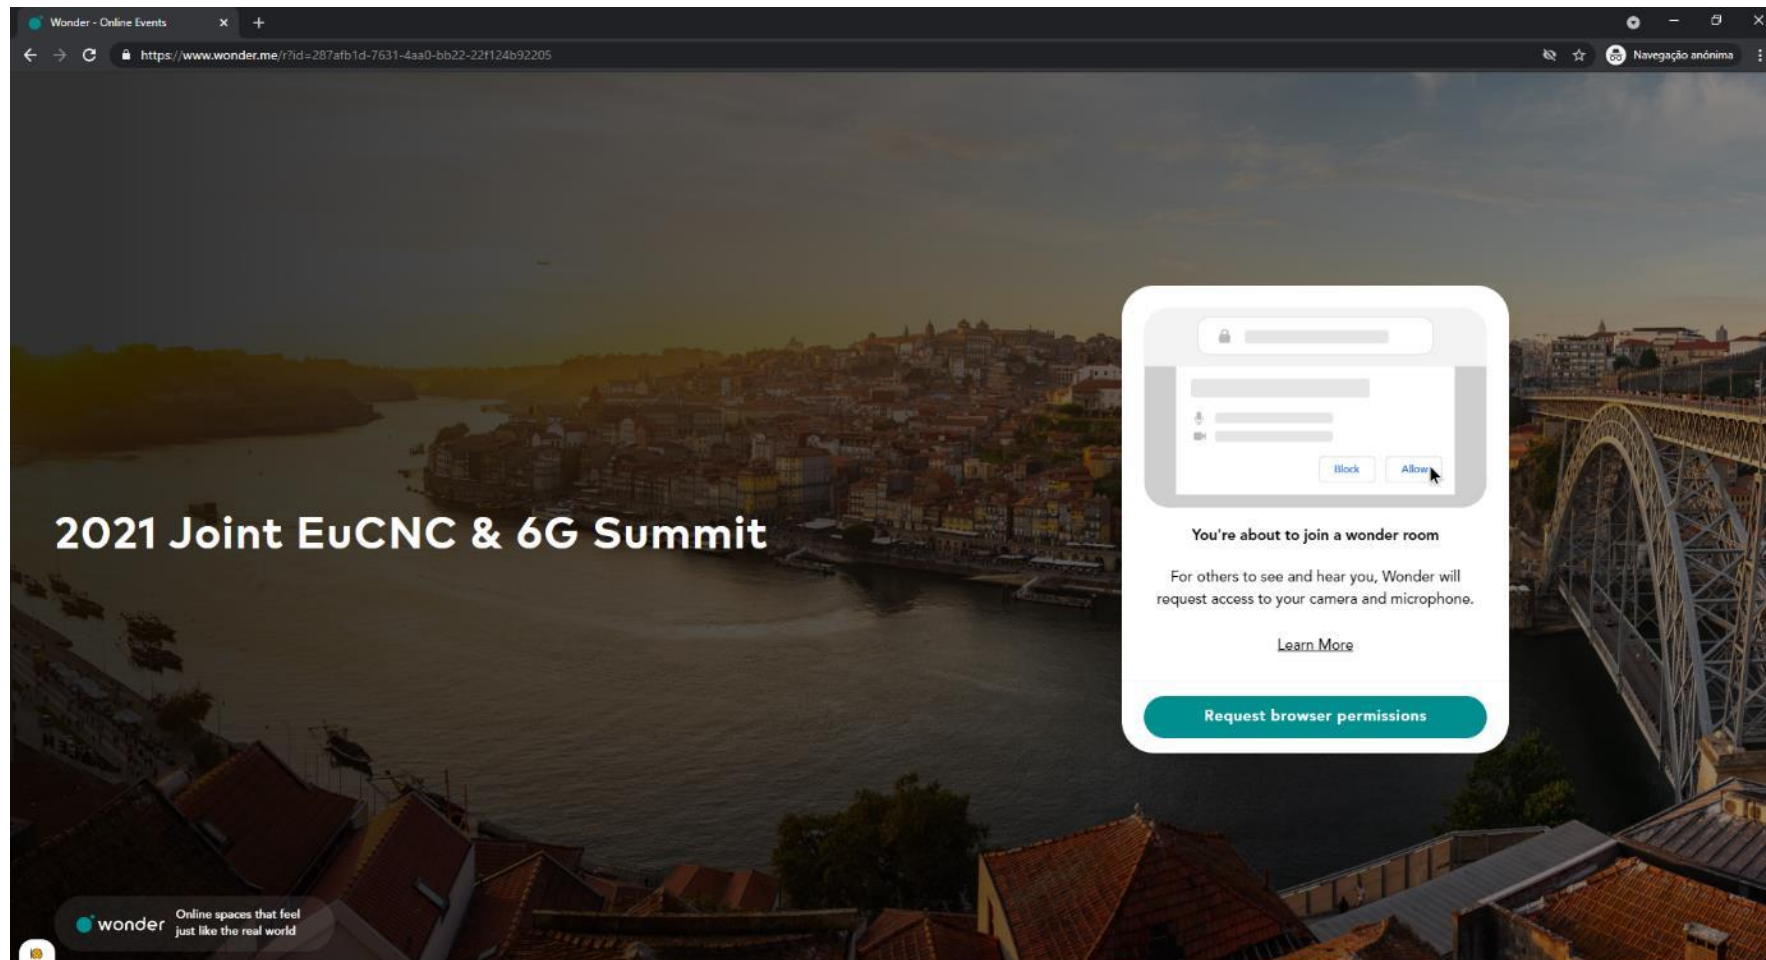

Virtual Conference (Porto, Portugal)  
8-11 June 2021

How to use  
Wonder.me

Welcome Reception – 30<sup>th</sup>  
EuCNC Anniversary

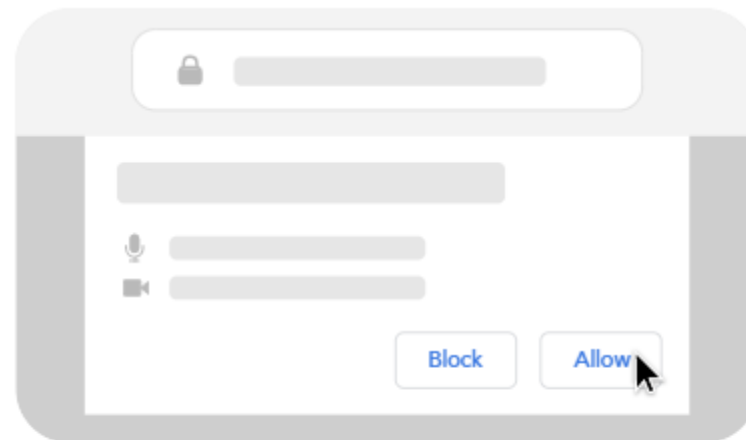

# 1. Access the room

- Just click the room link, which is available on the conference Virtual Platform Schedule.

## 2. Browser permissions

- Click on “Request browser permissions” and then “Allow” to enable the camera and microphone.

**You're about to join a wonder room**

For others to see and hear you, Wonder will request access to your camera and microphone.

# 5. Enjoy!

- Move the icon with your picture closer to other pictures to start a video chat.

# Notes

- Please note that Wonder:
  - is designed for use on desktop and laptop computers;
  - does not currently function on tablets or mobile devices, which includes iPads, iPhones and other similar devices;
  - is optimised exclusively for Google Chrome and Microsoft Edge browsers, and should update them before the event, which will help avoiding technical problems;
  - can be accessed without a camera, but you do need to have a microphone.
