14 Apr. 2023 – Extended Abstracts final version submission

The 2023 EuCNC & 6G Summit builds on putting together two successful conferences in the area of telecommunications: EuCNC, in its 32nd edition of a series, supported by the European Commission; the 6G Summit, in its 5th edition, originated from the 6G Flagship programme in Finland, one of the very first in its area. The local organizer is Chalmers University of Technology in Gothenburg, Sweden, and the conference is sponsored by the IEEE Communications Society (ComSoc), the European Association for Signal Processing (EURASIP), the European Association on Antennas and Propagation (EurAAP) and supported by the European Commission.

The conference addresses various aspects of Beyond 5G/6G communications systems and networks. It brings together cutting-edge research and world-renown industries and businesses, globally attracting in the last years more than 1 300 delegates from more than 40 countries all over the world, to present and discuss the latest results, and an exhibition with more than 70 exhibitors, for demonstrating the technology developed in the area, namely within research projects from EU R&I programmes.

Extended Abstracts for Poster Sessions are invited in all Tracks:

- PHY - Physical Layer and Fundamentals
- RAS – Radio Access and Softwarisation
- WOS – Wireless, Optical and Satellite Netw.
- NET – Network Softwarisation
- AIU – Applications, IoT, Use cases
- OPE – Operational & Experimental Insights
- CMA – Components, Microelectronics & Antennas
- 6VS – 6G Visions and Sustainability

Extended Abstracts for Poster Sessions are intended for the presentation of initial results worthwhile showing to the community.

Extended Abstracts for Poster Sessions should be submitted according to the following:

- they should follow the regular paper template;
- they should be 2 pages long;
- they should be submitted via EDAS.

Extended Abstracts for Poster Sessions will be light-reviewed by the Technical Programme Committee, according to the following criteria:

- Relevance
- Timeliness
- Technical content
- Novelty and originality
- Recommendation

Accepted Extended Abstracts for Poster Sessions will be part of the Conference Proceedings, indicated as such, hence, not being submitted to IEEE Xplore.

The registration rules for authors of Extended Abstracts for Poster Sessions are equal to those of Papers for Regular Sessions.

Posters should be displayed at the conference, according to a given template, available at the website. In order to enable the adequate exposure of Posters, dedicated timeslots will be allocated at the conference.
