Exhibitors Guidelines

EXHIBITION IN EUCNC 2026 & 6G SUMMIT

The 2026 European Conference on Networks and Communications & 6G Summit builds on putting together two successful conferences: EuCNC, in its 35th edition of a series, supported by the European Commission; the 6G Summit, in its 8th edition, originated from the 6G Flagship programme in Finland, one of the very first in its area. The conference is sponsored by the IEEE Communications Society (ComSoc), the European Association for Signal Processing (EURASIP) and the European Association on Antennas and Propagation (EurAAP). The conference addresses various aspects of Beyond 5G and 6G communications systems and networks. It brings together cutting-edge research and world-renown industries and businesses, globally attracting in the last years close to 1 000 delegates from more than 40 countries all over the world, to present and discuss the latest results, and an exhibition with more than 70 exhibitors, for demonstrating the technology developed in the area, namely within research projects from EU programmes.

In parallel to the technical sessions, there will be a major exhibition, extending for the entire main conference days, from June 2nd to June 5th, presenting a wide range of technologies, products and results from projects (not only co-funded by the European Commission but also from other international and national agencies). Prominent research institutions, SMEs, as well as large industries from Europe and other regions of the world will be showcasing at EuCNC & 6G Summit.

CALL FOR EXHIBITIONS AND DEMOS

Framework:

Exhibitions and Demos proposals are invited in all Tracks:

- AI4C – AI/ML Solutions for Communications
- AIU – Applications, IoT, Use cases
- CMP – Components, Microelectronics & Photonics
- NET – Network Softwarisation
- NVS – Next-Generation Visions & Sustainability
- OPE – Operational & Experimental Insights
- PHY - Physical Layer and Fundamentals
- SAQ – Security Aspects and Quantum Communications
- WOS – Wireless, Optical and Satellite Networks

Exhibitions and Demos may address one or more Tracks, but they should be organised under a unified theme. Exhibitions and Demos are expected to show the demonstration of novel technologies and their application.

Exhibition booths of 6 m² or 12 m² will be located in the main hall where coffee and lunch breaks will be held, and are supposed to have at least one person present, at least during breaks, in order to present the demonstration to attendees. Exhibitions and Demos will extend for the entire main conference days.

Important Details:

The proposal must be submitted until the deadline on **2026 Mar. 27**.

Exhibitions and Demos proposals should be submitted via the dedicated [Online Form](#). Proposers should provide information on the Title, Objective, Motivation and Background, Description, and associated Requirements. In case of any problems with the online submission form, please contact eucnc6gs-exhibitors@grow.tecnico.ulisboa.pt.

Exhibitors can also apply for a Pitch at the Speakers Corner, to be held during coffee breaks, via the dedicated [Online Form](#).

Exhibitions and Demos proposals will be evaluated according to the following criteria:

- Relevance
- Timeliness
- Technical content
- Novelty
- Overall Recommendation

A Best Demo Award will be issued.

Registration:

An exhibitor conference registration, *R-5-E – Exhibitor Registration*, is included in the fee paid for the exhibition, for 1 or 2 persons, respectively for 6 m² or 12 m² booths.

CALL FOR POSTER BOOTHS

Framework:

Poster Booth proposals are invited in all Tracks:

- AI4C – AI/ML Solutions for Communications
- AIU – Applications, IoT, Use cases
- CMP – Components, Microelectronics & Photonics
- NET – Network Softwarisation
- NVS – Next-Generation Visions & Sustainability
- OPE – Operational & Experimental Insights
- PHY – Physical Layer and Fundamentals
- SAQ – Security Aspects and Quantum Communications
- WOS – Wireless, Optical and Satellite Networks

Poster Booths may address one or more Tracks, but they should be organised under a unified theme. Poster Booths are expected to show posters addressing novel technologies and their application. Poster Booths will enable projects, research teams and other researchers to show their early stage work.

Poster Booths will be in dedicated poster walls located in the main hall where coffee and lunch breaks will be held, and are supposed to have at least one person present, at least during breaks, in order to present the posters to attendees. Poster Booths will extend for the entire main conference days.

Important Details:

The proposal must be submitted until the deadline on **2026 Mar. 27**.

Poster Booths proposals should be submitted via the dedicated [Online Form](#). Proposers should provide information on the Title, Objective, Motivation and Background, and Description. In case of any problems with the online submission form, please contact eucnc6gs-exhibitors@grow.tecnico.ulisboa.pt.

Poster Booths proposals will be evaluated according to the following criteria:

- Relevance
- Timeliness
- Technical content
- Novelty
- Overall Recommendation

A Best Poster Booth Award will be issued.

Registration:

Conference registration is not included in the fee paid for the booth, and the presenter is required to register with either *R-1-F – Full Registration* or *R-2-L – Limited Registration* levels, each Poster Booth being required to be associated with one registration (which cannot cover more than one of these booths).

CALL FOR SMEs DEMOS

Framework:

SMEs Demos proposals are invited in all Tracks:

- AI4C – AI/ML Solutions for Communications
- AIU – Applications, IoT, Use cases
- CMP – Components, Microelectronics & Photonics
- NET – Network Softwarisation
- NVS – Next-Generation Visions & Sustainability
- OPE – Operational & Experimental Insights
- PHY – Physical Layer and Fundamentals
- SAQ – Security Aspects and Quantum Communications
- WOS – Wireless, Optical and Satellite Networks

SMEs Demos are an opportunity for companies to show their products to the conference audience and beyond (i.e., via the conference communication activities, these demos will be shown to a wider audience). They can include demos from technical products and services, research projects, and collaborations with external partners (e.g., industrial or governmental), among others. This is an opportunity for companies to showcase demos and innovations to researchers worldwide as well as to industry leaders, increasing the visibility of their work and enabling networking around it.

SMEs Demos booths will be located in the main hall where coffee and lunch breaks will be held, and are supposed to have at least one person present, at least during breaks, in order to present the demonstration to attendees. SMEs Demos will extend for the entire main conference days.

Important Details:

The proposal must be submitted until the deadline on **2026 Mar. 27**.

SMEs Demos proposals should be submitted via the dedicated [Online Form](#). Proposers should provide information on the Title, Objective, Motivation and Background, Description, and associated Requirements. In case of any problems with the online submission form, please contact eucnc6gs-exhibitors@grow.tecnico.ulisboa.pt.

SMEs Demos can also apply for a Pitch at the Speakers Corner, to be held during coffee breaks, via the dedicated [Online Form](#).

SMEs Demos proposals will be evaluated according to the following criteria:

- Relevance
- Timeliness
- Technical content
- Novelty
- Overall Recommendation

A Best SME Demo Award will be issued.

Registration:

One exhibitor conference registration, *R-5-E – Exhibitor Registration*, is included in the fee paid for the booth.

CALL FOR UNIVERSITIES DEMOS

Framework:

Universities Demos proposals are invited in all Tracks:

- AI4C – AI/ML Solutions for Communications
- AIU – Applications, IoT, Use cases
- CMP – Components, Microelectronics & Photonics
- NET – Network Softwarisation
- NVS – Next-Generation Visions & Sustainability
- OPE – Operational & Experimental Insights
- PHY – Physical Layer and Fundamentals
- SAQ – Security Aspects and Quantum Communications
- WOS – Wireless, Optical and Satellite Networks

Universities Demos are an opportunity for academics and students to show their work to the conference audience and beyond (i.e., via the conference communication activities, these demos will be shown to a wider audience). They can include demos from research projects, Ph.D. (and M.Sc.) theses, and collaborations with external partners (e.g., industrial or governmental), among others. This is an opportunity for research groups to showcase demos and innovations to researchers worldwide as well as to industry leaders, increasing the visibility of their work and enabling networking around it.

University Demos booths will be located in the main hall where coffee and lunch breaks will be held, and are supposed to have at least one person present, at least during breaks, in order to present the demonstration to attendees. University Demos will extend for the entire main conference days.

Important Details:

The proposal must be submitted until the deadline on **2026 Mar. 27**.

University Demos proposals should be submitted via the dedicated [Online Form](#). Proposers should provide information on the Title, Objective, Motivation and Background, Description, and associated Requirements. In case of any problems with the online submission form, please contact eucnc6gs-exhibitors@grow.tecnico.ulisboa.pt.

Universities Demos can also apply for a Pitch at the Speakers Corner, to be held during coffee breaks, via the dedicated [Online Form](#).

Universities Demos proposals will be evaluated according to the following criteria:

- Relevance
- Timeliness
- Technical content
- Novelty
- Overall Recommendation

A Best University Demo Award will be issued.

Registration:

The booth registration is complimentary, but presenters have to register to the conference. A University Demo requires the presenter to register with either *R-1-F – Full Registration* or *R-2-L – Limited Registration* levels. Each University Demo requires to be connected to a single registration with the limitation on one booth per person.

CALL FOR PITCHES

Framework:

The conference will host Exhibitions and Demos, Universities Demos, and SMEs Demos, for the entire main conference days, in the main hall where coffee and lunch breaks will be held, where, at least during the breaks, exhibitors will have the opportunity to interact with attendees.

In order to increase the visibility of all exhibitions and demos, exhibitors are given the opportunity to apply for a Pitch at the Speakers Corner, with a targeted duration of 5 minutes, to be held during breaks, therefore, having one more means to reach the audience. The Speakers Corner will have a screen, microphone and an elevated stage, so that speakers can share their views with the audience.

Important Details:

The proposal must be submitted until the deadline on **2025 Mar. 27**.

Exhibitors (from Exhibitions and Demos, Universities Demos and SMEs Demos) can apply for a Pitch via the dedicated [Online Form](#). In case of any problems with the online submission form, please contact eucnc6gs-exhibitors@grow.tecnico.ulisboa.pt.

Presenters should provide their presentation as a *.pptx or *.pdf file, at least one week before the start of the conference, to give organisers enough time to prepare the area and test the equipment. The presentation file should be submitted to exhibit.eucnc6gs@gmail.com.

Registration:

All participants in the Speakers Corner, regardless of the nature of their presentation, must pay the registration fee and have a booth in the conference.

CONFERENCE VENUE

Description

The 2026 EuCNC & 6G Summit will take place at [FYCMA](#). FYCMA is the Trade Fairs and Congress Center of Málaga, an events and exhibition venue located in Málaga, which has become a key business hub in Southern Europe, driving the economy, employment, and Málaga's positioning as a business and technology destination.

[FYCMA](#) has a total area of 60 000 m² and 19 500 m² of exhibition space, making it a versatile venue capable of hosting any type of event. Its functional and contemporary design, which combines Málaga's maritime tradition with 21st century innovation, offers a wide variety of spaces that allow the venue to host events with more than 20 000 participants.

Two exhibition halls, two auditoriums, two conference rooms, one exhibition hall, sixteen multipurpose rooms, three dining areas, and free parking for 1 200 vehicles, among other facilities, make up the infrastructure needed to meet any logistical and organisational requirements.

Venue Address

FYCMA, <https://fycma.com>, is located at:

Palacio de Ferias y Congresos
Av. de José Ortega y Gasset 201
Cruz de Humilladero
29006 Málaga

Entrance and Plan

The building has one main entrance, as indicated below:

Accessibility

FYCMA is one of Spain's major event venues, located in the western part of Málaga with convenient access from the airport, the city centre, and main transport routes. FYCMA is fully accessible for visitors with reduced mobility, including, wheelchair-accessible entrances, accessible restrooms and dedicated accessible parking spaces.

Parking

FYCMA offers large on-site parking, with space for approximately 1 200 vehicles:

- Located directly at the venue.
- Suitable for cars, event staff, exhibitors, and visitors.
- Often supplemented with additional designated parking during major events.

How to get there

The venue is designed to accommodate mobility needs comfortably.

- From Málaga - Costa del Sol Airport:
 - The airport is located **around 9 km** from FYCMA.
 - By car (7–12 minutes):
 - Follow **MA-21 → A-7**, take the exit toward **Avda. Ortega y Gasset / MA-401** and follow signs to FYCMA.
 - By public transport:
 - **Train + Bus**: Take the Cercanías train to Málaga city, then EMT bus lines connecting to the venue.
 - **Taxi or ride-hailing**: Widely available at the airport and takes approximately 10 minutes.
- From Málaga María Zambrano Train Station:
 - The main railway station is about **10 minutes by car** from FYCMA
- From Málaga City Centre:
 - EMT Bus Lines serving FYCMA:
 - **Line 4**
 - **Line 19**
 - **Line 20**

EXHIBITION

Exhibition Set-up, Dismantling and Opening Hours

All hours are indicated local time (CEST).

- Set-up Period
 - Monday, 1 June: 16:00 - 21:00
 - Tuesday, 2 June: 08:00 - 10:00

- Exhibition Period
 - Tuesday, 2 June: 10:30 - 18:00 (Welcome Reception 18:00 – 22:00)
 - Wednesday, 3 June: 09:00 - 19:00
 - Thursday, 4 June: 09:00 - 19:30
 - Friday, 5 June: 09:00 - 11:30

- Dismantling Period
 - Friday, 5 June: 11:30 - 15:00

Exhibition Set-Up

- The exhibition set-up and dismantling will be coordinated by Keynote PCO, who will be available throughout the event to assist with any queries.
- Booth installation is scheduled as follows: Monday, 1 June from 16:00 to 21:00, and Tuesday, 2 June from 08:00 to 10:00. All booths must be fully completed by 10:30 on Tuesday.
- Booth allocation will be confirmed by the organisers and communicated to exhibitors in advance of the event.

Exhibition Dismantling & Booth Removal

- The dismantling of the exhibition will be coordinated by Keynote PCO, who will be available throughout the conference to assist with any queries.
- Booths must be dismantled and removed on Friday, 5 June, from 11:30 to 15:00. Under no circumstances may booths be removed earlier or outside of these scheduled times. Exhibitors are kindly requested to respect the official programme and wait until the close of the congress before beginning dismantling.

Important: Exhibitors must ensure that no waste or materials are left behind. Any associated disposal costs will be charged accordingly.

Floor Plan

The exhibition will take place on the ground floor (Level 0) of **FYCMA**. This area will also host coffee breaks, lunches and the Welcome Reception. The schematic below presents the possible booths layout and organisation of the exhibition.

BOOTHS

Fees

Exhibition booths will be available at 2026 EuCNC & 6G Summit for projects, universities and research labs, companies, SMEs and industries. The available booth formats include regular exhibition stands in sizes of 6 m² and 12 m²; additionally, smaller booths of 1.5 m² and poster booths are also offered. The configuration of each booth type is given below.

The fees for each booth type and exhibitor category are as follows:

Booth Type	FEES	
	VAT Excluded	VAT Included
Regular Booth 06 m ² – EC Project ¹	1 200 €	1 452 €
Regular Booth 12 m ² – EC Project ¹	2 400 €	2 904 €
Regular Booth 06 m ² – Other Project ²	1 800 €	2 178 €
Regular Booth 12 m ² – Other Project ²	3 600 €	4 356 €
Regular Booth 06 m ² – Business ³	2 400 €	2 904 €
Regular Booth 12 m ² – Business ³	4 800 €	5 808 €
Small Booth 1.5 m ² – SME	700 €	847 €
Small Booth 1.5 m ² – Universities	<i>free</i>	<i>free</i>
Poster Booth 1 m ²	400 €	484 €

1 – R&I projects directly funded by European Commission programmes.

2 – R&I projects funded by other international programmes or national ones.

3 – all other booths.

Booth assignments and locations will be determined by the organiser.

Regular Booth

The standard exhibition booths (6 m² and 12 m²) include:

- Modular booth structure with aluminium profiles and melamine white panels (2.6 m height)
- Fascia nameboard on all open sides wider than 2 m, displaying the company name in black lettering
- One LED spotlight per 2 linear metres of stand frontage
- 5.5 kW electrical supply, including two single-phase Schuko sockets
- Fire-resistant carpet flooring
- Furniture package:
 - 6 m² booth: 1 table and 2 chairs
 - 12 m² booth: 2 tables and 4 chairs

6 m² booth layout:

12 m² booth layout:

Small (SMEs & Universities) Booth

Small booths include:

- Back wall constructed from aluminium profiles with white melamine panels (2.6 m height)
- Fascia nameboard displaying the company name
- One LED spotlight with arm
- One power outlet (500 W)
- Furniture package: 1 table and 1 chair

Small booths will be arranged in rows:

Poster Booth

The Poster Booth includes:

- One white panel (1 m width × 2.6 m height)
- Recommended poster size: A0

Poster Booth layout:

Electricity

A standard connection to the electricity grid is provided (limited 5.5kW for Regular Booths and 500W Small Booths) and is included in the rental fee. However, we kindly advise bringing or ordering sufficient extension cords and junction boxes with you so that you can connect to the electricity grid easily.

In case a specific power connection is required for your demo, please contact the Technical Team at Keynote PCO: exhibition@eucnckeynotepco.eu to arrange the details.

Connectivity

Exhibitors can request fixed Ethernet connectivity to the Internet as well as to the private 5G network to be deployed in the exhibition area. Both services will have a cost. Formal requests should be included in the online application form before the deadline; however we appreciated an early informal communication on this service or any other specific need (spectrum, outdoor demos, etc.) to exhibition@eucnckeynotepco.eu. Note that additional services will have a cost.

Access and Registration

Each participant of the exhibition is required to register at the conference, including the complimentary registrations available with a booth rental. Registration of the participants will be possible after receiving the confirmation for the booth rental and will be done via the conference registration system. More details will be provided later.

A conference registration (*R-5-E– Exhibitor Registration*) is included in the fee paid for the exhibition booth, for 1 or 2 persons, respectively for 6m² or 12m² booths. Similarly, for an SME Demo a single registration (*R-5-E– Exhibitor Registration*) is included in the fee. All other participants need to register and pay the registration fee.

DELIVERIES

GENERAL TERMS AND CONDITIONS OF THE PALACIO DE FERIAS Y CONGRESOS DE MÁLAGA FOR THE SHIPMENT, STORAGE AND COLLECTION OF GOODS FOR EVENTS

1. DATES AND OPENING HOURS

The Palacio de Ferias y Congresos de Málaga (hereinafter, “FYCMA”) shall be available to receive and store, in its main warehouse, the goods of the exhibitors from three (3) working days prior to the event date.

Goods shipped prior to this period shall not be accepted.

DELIVERIES		
Thursday 28 May	Friday 29 May	Monday 1 June
9:00 - 14:00 / 15.00 - 18.00	9:00 - 14:00	9:00 - 14:00 / 15.00 - 21:00

2. LABELLING OF GOODS

FYCMA acts solely as the physical receiving point for shipments. The exhibitor shall be deemed the actual consignee of the goods. Accordingly, all goods must be correctly labelled with the following information:

- Event name
- Company name and Tax Identification Number (NIF) of the recipient
- Event date
- Total number of packages
- Sender, contact person and telephone number
- Stand number and name (if applicable)
- “Attn: Event Sales Representative”

Shipping address:

Palacio de Ferias y Congresos de Málaga
(Muelle de Carga y Descarga)
Av. José Ortega y Gasset, 201
29006 – Málaga

3. RECEPTION OF GOODS FROM OUTSIDE THE EUROPEAN UNION (CUSTOMS PROCEDURES)

The importing company shall be solely responsible for all costs arising from the importation, including but not limited to VAT, customs duties, and any other charges, as well as for the correct processing of customs documentation and any delays resulting from missing information or errors in the importer’s details. Under no circumstances shall FYCMA be liable for such costs or procedures.

The exhibitor receiving the goods must provide the supplier/shipping company with the following fiscal information in order to correctly complete the import customs declaration (DUA) in their name:

- Company name
- Tax Identification Number (NIF)
- Fiscal address
- Contact person and telephone number (for customs clearance authorization)

4. UNLOADING OF GOODS

FYCMA shall not be responsible for the unloading of goods. The exhibitor shall notify the transport company accordingly.

5. CARTS AND PALLET TRUCKS

FYCMA provides a limited number of mechanical resources for hire to transport materials. Such equipment shall not be operated by untrained or unauthorized personnel. Should any exhibitor require a customised service, they must consult the designated FYCMA event manager – Contact: erequena@fycma.com

6. COLLECTION OF GOODS

Upon conclusion of the event, materials must be removed or stored in the main warehouse and collected within forty-eight (48) hours (or two (2) working days) thereafter. If the goods are not collected within this timeframe, FYCMA shall assume that the exhibitor has abandoned the goods and shall proceed with their disposal.

COLLECTION	
Friday 5 June	Monday 8 June
15:00 - 18:00	9:00 - 14:00 / 15.00 - 18.00

Goods must be properly labelled with the following information:

- Transport company collecting the materials
- Stand number and name (if applicable)
- Destination address
- Total number of packages
- Contact person and telephone number

FYCMA does not provide packing materials; therefore, the exhibitor shall be responsible for adequately packing their materials prior to deposit in the warehouse.

Goods shall not be released unless the transport company presents a delivery note duly completed with the aforementioned information.

7. DISCLAIMER OF LIABILITY

FYCMA provides the receiving and storage service as logistical support to the event organizer and exhibitor. Notwithstanding the foregoing, FYCMA shall not assume any liability for the goods deposited in its facilities. The exhibitor shall retain sole responsibility for the custody, control and safekeeping of the goods throughout the entire process.

GENERAL RULES & DISCLAIMERS

General Rules & Disclaimers

All activities organised by exhibiting companies involving participants of EuCNC & 6G Summit 2026 must be agreed in advance with both the Organising and Scientific Committees. The organisers reserve the right to amend the exhibition floor plan at any time where necessary.

Participation as an exhibitor is at the company's own risk. Neither EuCNC & 6G Summit 2026, the Organising Committee, the venue, nor the Professional Congress Organiser (PCO) accept any liability whatsoever for any loss, damage, or injury. Exhibitors are responsible for arranging appropriate insurance and for the organisation and management of their stand.

In the event of force majeure, the organisers and the PCO shall not be held liable for any resulting changes, disruptions, or cancellations.

The organisers do not endorse any products, services, or claims presented by exhibitors. All information and activities conducted by exhibitors are under their sole responsibility.

By submitting a booking form and reserving exhibition space, exhibitors agree not to make any legal claims against EuCNC & 6G Summit 2026, the Organising Committee, the Venue, the PCO, or any associated partners.

Booking & Contractual Agreement

Upon submission of a booking form, a confirmation and invoice will be issued to the Exhibitor.

The Terms & Conditions outlined in the exhibition prospectus and online booking system form part of a legally binding contract. Submission of a booking form constitutes full acceptance of these Terms & Conditions.

Privacy Policy

All personal and company data provided will be processed in accordance with applicable data protection regulations and used solely for the administration of EuCNC & 6G Summit 2026. Privacy Policy.

Stand Allocation, Construction & Staffing

Exhibition space will be allocated by the Organisers and confirmed in writing by the PCO. While exhibitor preferences will be considered where possible, the organisers reserve the right to reallocate space if required. Any such changes will not entitle the exhibitor to cancellation or compensation.

All stand designs and constructions must be submitted for approval to the Exhibition Manager at least 8 weeks prior to the event and must comply with the official Exhibition Technical Manual.

The organisers reserve the right to modify the exhibition layout and associated features at any time.

Exhibitors must staff their stands for the full duration of the exhibition and adhere strictly to the designated build-up and dismantling schedules.

Insurance, Safety & Compliance

The organisers are not responsible for any loss, theft, or damage to exhibitor property.

Exhibitors are required to obtain appropriate insurance, including:

- Public Liability Insurance
- Employer's Liability Insurance
- Coverage for loss or damage to equipment and materials

Proof of insurance must be provided upon request.

Exhibitors agree to indemnify and hold harmless the Organisers, PCO, venue, and affiliated parties against any claims arising from their participation.

All exhibitors must comply with the Rules & Regulations outlined in the Exhibition Technical Manual, which will be issued prior to the event.

Failure to comply with regulations, deadlines, or documentation requirements (including insurance and risk assessments) may result in:

- Stand closure
- Cancellation of participation
- Forfeiture of all fees paid

The organisers reserve the right to enforce necessary changes to ensure compliance.

Conduct & Restrictions

By reserving exhibition space, the Exhibitor agrees:

- To comply with all Terms & Conditions and the Exhibition Technical Manual
- Not to conduct unauthorised promotional activities outside the official conference venue during event dates
- That all related activities must take place within the venue or be formally approved by the organisers

Contact

All correspondence regarding exhibition participation should be directed to:

exhibition@eucnckeynotepco.eu

TERMS OF PAYMENT

Payments, Cancellations & Postponement

Payment Terms

Full payment is required upon confirmation of booking. All invoices must be settled within 30 days of the invoice date.

Payments may be made via bank transfer or pre-approved credit card (additional charges may apply). All bank charges are the responsibility of the Exhibitor.

Failure to complete full payment at least two (2) weeks prior to the event may result in cancellation of participation without refund.

Cancellations

All cancellation requests must be submitted in writing to: exhibition@eucnckeynotepco.eu

Refunds will be applied as follows:

- Before 1 May 2026: 50% refund, less any benefits already received
- From 1 May 2026 onwards: No refund

Event Changes

If the conference is postponed, exhibitors will not be entitled to cancel or request a refund. Bookings will be transferred to the rescheduled event.

If the conference is cancelled, refunds will be issued minus:

- Any benefits already delivered
- Any costs incurred by the organisers in delivering agreed services

If the event format changes (e.g. hybrid or virtual), exhibitors will not be entitled to cancel or request compensation. Benefits will be adapted accordingly.

The organisers reserve the right to modify the format, content, timing, or delivery of exhibitor benefits where necessary. Such changes do not constitute a breach of contract and do not entitle the exhibitor to compensation.

FYCMA (EuCNC & 6G Summit 2027 Conference Venue) Regulations and General Terms and Conditions for Participating in Events
